

Answer/s to Queries

No.	Query	Response
1	A request to correct a typo regarding the deadline date referenced in the Guide for Applicants date.	Date corrected from 11 th September 2020 to 9th October 2020.
2	Is it possible to apply for these projects if the proposed applicant is already in receipt of a bursary?	It is possible to apply however it is noted that the position is fulltime, will commence before end of 2020 and cannot accommodate a co-funding or part time arrangement.
3	Is it allowable for an applicant to dedicate 10-20% FTE of their time to the project, hiring a postdoctoral researcher at 70-100% FTE, or is the Council seeking a single "Fellow"?	We are seeking a single researcher under each call topic devoting 100% FTE of their time to the fellowship. However, the application can make provision in the budget for a supervisor's time up to 20% FTE. This must be accommodated within the maximum budget indicated in the technical description.
4	Please can you tell me if the September 2020 CCAC Research Fellowships are open to applicants with relevant experience but who do not have a PhD qualification?	Fellowships are open to applicants with relevant experience. A PhD qualification is not a mandatory condition.
